## Walking Tour & Pétanque

Let's play *pétanque* in Saint-Tropez! Once at the tender pier, meet your guide and begin the walking tour that will lead you first along the yacht harbour of Saint-Tropez. Learn the history of this former fishing village and the Grimaldi Family's heritage as part of its transformation into a jet-set destination. Discover the alleys, the small beaches, the red church and more iconic images of this world-famous resort. After this introduction, reach the most famous square in the village, Place des Lices, where you will be introduced to the most beloved and common sport in Provence: *pétanque*. This is something more than a simple game; it's a tradition that has its own place in every town in Provence, and evokes passion in everybody, from children to adults to seniors. Learn the difference between '*boules*' and '*pétanque*', get acquainted with the rules, and begin a real game together with the other tour participants. Similar to lawn bowling and Italian *bocce*, the game is played outdoors with metal balls. In essence, the goal is to throw your balls as close as you can to the object ball, known as a '*cochonnet*'—so that your balls land closer to it than your opponent's balls do. It is a game of strategy, accuracy and skill. During the game, you will be offered a glass of rosé wine, in true Provençal style. At the end of the tour, stay in town for a deeper independent exploration, or walk back to the pier with your guide.
